3D GiftForge

Create. Print. Give. Make Friends.

Want to surprise a friend with a cool 3D printed gift?
Join the 3D GiftForge project!

1. Pick a friend
2. Design together with me
3. I'll print it - for free
4. You give it to your friend!

IMPORTANT:
You can't print stuff for yourself.
Let's keep the kindness chain going!
